Objective

Seeking an entry-level career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

Education

2023	Dr. T. Thimmaiah Institute of Technology BE in Computer Science 6.65(cgpa)
2018	Smt Danamma Chanabasavaih PU & Degree College Secondary education 63.33%
2016	BEML Composite PU College Primary Education 86.88%

Skills

- Html, css
- Python
- C++

Projects

- **Fall Detection of Riders using Classification algorithms and Sensors**
In our project, we aim to develop a helmet that not only protects the riders head from several injuries but also incorporates sensing units like accelerometer and gyroscope to detect falls and automatically transmit a message to an authorized person
